Lúčky spa is located in mountaneous, south facing valley, under the hillside of Choč, between Orava and Liptov region, 621 meters above the sea level. It is 14 km far north-east of Ružomberok, which is 280 km far from the capital Bratislava on the line Bratislava-Žilina-Košice. Many facilities for recreation and sport activities can be found near the water reservoir - Liptovská Mara, in winter in Jasná and Donovaly. As far as accommodation is concerned, the bath houses Choč*** , Choč** , Liptov and guesthouses are available.

The bath houses Choč and Liptov are a part of spa building, connected by a hall. Total capacity is cca 366 beds. The Lúčky spa has a long tradition in healing of gynaecologic diseases including the states after the oncological operations. Since 2005 the bath cure has extended for the disorders of motoric apparatus and osteoporosis (thinning of bones). The spa is opened for you the whole year-round. Besides of medical and relaxation stays of the wellness type we offer New Year's Eve and Easter stays. This spa is the spa for the whole family.
